

Matlab Ke Rishto Ko Todke | By Mukesh Bagda

Matlab ke rishton ko todkar ke pyaar ke bandhan mein aan bandha meri maa,
Mamta ki chhaaya de daatiye teri chaukhat pe aaj khada meri maa,

Is paap ke jag mein jhootha hai har naata,
Gaao ko dikhlaaun kaise tujhe maata,
Tu pyaar ka bhandaar hai maa teeno loko mein,
Naam bada tera maa,
Matlab ke rishton ko todkar

Apnon ka maara hoon dukhdo se haara hoon,
Maa thaam le mujhko beta tumhaara hoon,
Ab laut ke khaali na jaao baalak ye zid pe,
Aaj ada meri maa,
Matlab ke rishton ko todhkar

Maine suna dar pe har kaam banta hai,
Maiyya jo tu karti koi na karta hai,
Tu pyaar se najrein uthaa ke dekh to zara le,
Mujhko pahaadi maa,
Matlab ke rishton ko todkar

Tareef teri main kaise karu daati,
Jag chhod de jinko unko tu apnaati,
Tere harsh ko zaalim zamaane ne thukraaya,
Sharan pada teri maa,
Matlab ke rishton ko todkar
