

Vinay Path | By Rohit Chaturvedi

Ihi vridhhi thaado hoyeke pratham padhe jo paath,
Dhanya Jineshwar Dev tum naash karm jo aath.
Anant chatushtay ke dhani tum hi ho sartaaj,
Mukti vadhu ke kant tum deen bhuvan ke raaj.

Ihu jag ki peeda haran bhavadadhi shoshanhaar,
Gyaayat ho tum vishva ke Shiv sukh ke kartaaaj.
Haarta aag andhiyaar ke karta dharm prakaash,
Thirta pad daataar ho dharta nij gun raas.

Dharma mrid ur jaladhi sau gyaan bhaanu tum roop,
Tumhare charan saroj ko naavad pihu jag bhoop.
Main vando Jin Dev ko kar ati nirmal bhaav,
Karm bandh ke chhed mein aur na kachu upaav.

Bhavijan ko bhav pookate tum hi taaranhaar,
Deen dayaal anaathpati aatam gun bhandaar.
Chidaanand nirmal kiyo dhoye karm raj mail,
Saral kariya jagat mein bhavijan ko Shiv gai.

Tum pad pankaj poojate vighn rog tar jaaye,
Shatru mitrata ko dhare vish nir vishatya khyaay.
Chakari khagdar Indrapad mile aap ke aap,
Anukram kari Shiv padil hai nem sakal hani paap.

Tum bin main vyaakul bhayo jaise jal bin meen,
Janm jaraa meri haro karo mohi swaadheen.
Patitva bahu pavan kiye vinati kaun karev,
Anjaan se taare Prabhu jai jai jai Jindev.

Thakinaav bhavadadhi vishay tum Prabhu paar kare,
Khevatiya tum ho Prabhu jai jai jai Jindev.
Raag sahit jag mein rulyo mile saraagi Dev,
Veet raag bhetyo avai meto raag kuche.

Kitni god kitnaar rati kit triyanch agyaan,
Aaj dhanya manushya bhayo paayo Jinvar thaan.
Tum ko pooje Swarpati Ahipati Narpati Dev,
Daahiny bhaag mero bhayo karne laagyo tum sev.

Asharan ke tum sharan ho niraadhaar aadhaar,
Main doobat bhav sindhu mein thiyo lagao paar.
Indraadik Ganpati thake kar vinati Bhagwaan,
Apno virad nihaar ke keeje aap samaa.

Tumhari nek sudrishti pai jag utarat hai paak,
Haahaa doobyo jaat ho nek nihaar nikaar.
Jo main kahyu aur so to naa mite ur bhaav,

Meri to ton sovani taate karun pukaar.

Vando paancho param guru sur guru vandat jaas,
Vighn haran mangal karan pooran param prakaash.
Chaubiso Jinpad namo, namo Shaarda maay,
Shivmak saadhak saadhu name rachyo path sukhdaay.

Mangal moorti param pade, paanch dharo nit dhyaan,
Haro amangal vishva ka mangal may Bhagwaan.
Mangal Jinvar pad namo mangal Arhant Dev,
Mangalkaari sed pad so vando swamev.

Mangal Aacharaj muni mangal guru Uvajhaay,
Sarv saadhu mangal karo vando man uchkaay.
Mangal Saraswati maat ka mangal Jinvar dharm,
Mangal may mangal karo har aasata karm.

Yaa vidhi mangal se sada jag mein mangal hoye,
Mangal Naathu Ram ye bhavsagar dridh po.
